

Mission Statement

The Friends of Homosassa Springs Wildlife Park was established in 1991 to provide support to the park and to help conserve and enhance the wildlife and other resources of the Homosassa Springs Wildlife State Park and to expand public interest in the heritage of natural environment it represents. Our support includes volunteerism, program and financial. The Friends of Homosassa have become a repository for contributions from individuals, organizations and businesses.

All the funds contributed to the Friends of Homosassa Springs stay at Homosassa Springs and are expended under the authority of the Board of Directors who are all local citizen who love the park.

The Friends of Homosassa Springs have made significant financial contributions to park improvements. Without them and all their supporters, we would not have the wonderful park that exists today.
